THE PREZ SEZ

Many of us were privileged to see and hear Dr. Tom Benham, W3DD. This is an experience we all should have in order to get over the idea that those of us who have all our senses are the only ones who can accomplish anything worthwhile.

I am constantly amazed at the talents and abilities of this man who has been sightless most of his life. He is able to do things that many of us in the audience cannot do as well.

I remember hearing him before, and do not recall ever having heard him ask for help. He did ask for some at this last meeting. He indicated that they could use both financial and physical assistance for the "Science for the Blind" group. I am sure that some of us could assist them by helping assemble some of their equipment, as we were asked. It may also be possible for us, either as a group or individually, to figure out some way to be of some financial assistance. At least, let's give it some thought.

73,

Bob, K3UWO

ODDS AND ENDS

Dr. Burket's (W3HQJ) new \$4.2 million teaching and research building was dedicated at 11:30 A.M. Thursday, October 9, 1969, by the University of Pennsylvania School of Dental Medicine. It will be named the Leon Levy Oral Health Science Building, in honor of Dr. Leon Levy, a 1915 graduate who has since been active in the school's affairs.

Tom Bohlander (WN3KLR) passed his general class license, and started to Drexel as a freshman, the same week!

W3VVS has a Wayfarer Mark 4 camping trailer. Boy, will we sleep in style next field day and at Paddlerama!

From John Lopez of Hamburger's - the door prize of a 20,000 ohms per volt multimeter, was won by William Bradley Clayton (Bill) son of K3HIE.

At the October meeting, there were 33 members present, and the following visitors:-

Jack (WA3MYB) and George (WA2MYC) Crossen, who are twins, and have been blind since birth.

Tom Bohlander (WA3KLR)

Bill Clayton (W3HIE)

Dot Jorett (K3ZLE)

Chas Stouth (W3ZPP) who was an early editor of the Blurb.

Wayne, son of Chas. Stouth

Virgil Montavon (W3DYZ)

Eric Carlson (W3MOO) (talk transistor)

Grank Dickinson (K3RSH)

Dr. Tom Benham (W3DD) who was our guest speaker ... fine business as usual... and his XYL.

W3VVS asked 14 hams who were present, just how many years each had as an amateur. Of the 14 asked, the total years amounted to 544 years! An average of 38.9 years per ham!!!

The editor notes her pleasure at seeing so many well-remembered faces... it would be more pleasurable to see them more often...

At the regular monthly meeting of PMRC held on October 6, 1969, the By-Laws Committee of PMRC presented to the membership, the By-Laws articles published in the September issue of the BLurb. After presentation and discussion, the membership voted to accept the articles as published.

The following changes to the rules of elections are the result of recommendations of the By-Laws Committee and the Board.

It is recommended that, in conjunction with recent By-Laws changes, several corrections and additions be made to the Rules of Elections. These regulations were put into effect by the Board in November 1965 to clarify some of the problems evident in past elections. The most numerous changes regard references to the November and December meetings. Since Penna. corporate law requires an annual meeting for stated purposes, our references in these rules, to the last meeting of the year is being changed to read ----- annual meeting.

The most significant change is to Rule 3 which is changed to read: Separate elections shall be held for each office: i.e. Pres., Vice Pres., Secretary, Treasurer, Director. There shall be more than one nominee for each position to be filled.

It is the intention of the By-Laws Committee to have these Rules, when approved, included as a part of the By-Laws. Voting, on the changes, is proposed for early in the November meeting so that this year's elections may reflect the changes.

OFFICIAL BULLETIN NR 241 FROM ARRL HEADQUARTERS
NEWINGTON CONN SEPT 27 1969 TO ALL RADIO AMATEURS

The ARRL executive committee met today to examine nominating petitions filed by members for league directors and vice directors. By reason of nomination of but one eligible candidate the following were declared elected, The Canadian Division Director Noel B. Eaton VE3CJ, Dakota Division Director Charles G. Compton WØBUO and Pacific Division Director J.A. Gmelin W6ZRJ. Also declared elected was Canadian Vice Director George Spencer VE2MS, Midwest Division Vice Director Ralph V. Anderson KØNL and Pacific Division Vice Director Hugh Cassidy WA6AUD. Wherever the committee found valid petitions naming more than a single candidate for these offices and the candidates meeting the requirements as to league membership and freedom from any commercial radio connection, ballots were ordered mailed to full members concerned covering contested offices. Such candidates by Division are:
